(Albany)**

Sponsored by:
• Linn County Sheriff's Office
• Lebanon Fire District

Effective public safety agencies depend on their leaders to manage themselves and influence personnel to provide excellent service and maintain safety and standards.

LEADERSHIP IN PUBLIC SAFETY

THE PROFESSIONAL DEVELOPMENT INTENSIVE

Centerpoint presents a three month program for supervisors and command staff to develop awareness and skills to lead with uncommon integrity, focus and effectiveness.

Workshops: September 28; October 5, 19; November 16 Assessments: Starting September Individual Coaching: 4 hours (until February 2018)

Content

Participants will increase awareness of their current leadership style, learn fundamental leadership concepts and skills, establish goals for the duration of the Intensive, and receive on-going support as they apply new approaches in their organization.

The program addresses the 4 Areas of Leadership with these specific tools and more:

Self Management

Self Assessments
Goal Setting
Time & Priority Management
Personal Power Grid

Leadership Strategy

Leadership Theory
Situational Leadership
Hallway Chalk-Talks
Mission, Values & Strategies

Relationships

Listening & Feedback
Conflict Resolution
Managing Change
Team Development

Performance Management

Performance Management Cycle
Coaching and "The Coaching Curve"
Confronting "Off-Target" Performance
Supporting and Consequences

Each participant will customize their experience through personal goals, scenarios from their own experience, individual coaching sessions, and application of tools relevant to their agencies.

Format

The Intensive is designed to provide a challenging yet supportive development experience for leaders in public safety. The program is very much "hands on" and practical. The extended duration provides continuity, supports "experimentation" in the workplace, and solidifies progress.

Format: Three-month program with up to 16 public safety leaders in a closed group.

Assessment: Myers Briggs Type Indicator (MBTI); Conflict Mode Instrument (TKI); and 360° Feedback (up to 25 individuals provide feedback on over 50 dimensions of participant's leadership).

Workshops: Four high-participation sessions focusing on key leadership concepts, practical tools, and case studies.
September 28; October 5, 19; November 16 (September and October workshops 9am-4:30pm; November workshop 9am-1pm).
Location: Linn-Benton Community College, Albany campus; 6500 Pacific Blvd SW, Albany. Room TBD.
Complementary gourmet coffee, tea, juices & fresh-baked goods.

Coaching: Four hours individual Coaching with Guy Perrin (in person and/or by email, Skype, Facetime or telephone).

Resources: Library of leadership books and CDs, and practical workbook.

Credit: Form F-6 will be available to log hours, and will be submitted to DPSST. All participants receive framed certificate upon completion.

Who Should Attend

The Intensive is for public safety leaders from agencies in Linn, Benton and surrounding Counties. Both experienced leaders and those new to their role will benefit from the program. Participants must be in a leadership position and have support from their command staff to develop "best practice."
